Our philosophy is that children be encouraged to learn and grow by providing a foundation of developmentally appropriate experiences where all children can succeed in a safe and nurturing environment.

We follow the Lakeport School District calendar for convenience of siblings. School typically begins early August and ends late May.

Our services are offered at no cost! We also provide breakfast, snack and lunch daily.

Teachers receive ongoing training and education to ensure that we are offering the best quality education for your child.

BVR Preschool focuses on appropriate student development for the preschool age. Some key features we include are:

- Science experiments
- Creative expressions/learning through art
- Dramatic play
- Math concepts
- Outdoor play
- Sensory bins (water, water beads, play dough, sand, beans, etc.)
- Field trips
